

t Claw

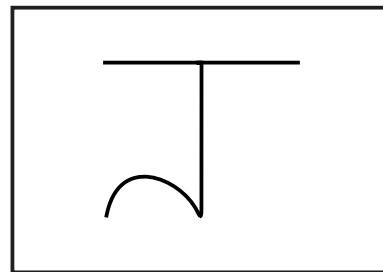

Claw in small t

The writer having a 't' claw in his writing is troubled by his boss, teachers, seniors etc. Students having a 't' claw generally get less mark in their practical exams. The mindset for 't' claw is that, this person has been cheated by some elderly person, such as father, uncle (chacha, mama etc), who actually should have guided him. Hence he cheats those elders who guide him. Hence, he will be very sweet with his bosses, teachers, parents, etc. He will gain their confidence and cheat them. Now, due to the mind-body concept, he will be cheated by all these people. He will cheat his teachers hence will get less marks in his practical exams since the marks given for practical exams is totally in the teachers' hands. He will cheat his boss and ultimately in the long run would suffer financially. He may also lose his job.

Claw in Capital T

Claw in Capital T

In capital case, the 'T' claw can be shown as.

Now, this claw is seen in the capital case, Capitals as we have learnt is for taking initiatives and authorities. We have already learnt that good capital indicates the ability to take initiatives and authorities. Since, this claw is seen in the capital case, he will cheat his authorities. And if he is given the authority and leadership then you can simply imagine what all he can do!
